Individually in his (their) individual capacity as guarantor and surety of all the SUBCONTRACTOR's obligations herein.

1. **ASSUMPTION OF MAIN CONTRACT** The Main Contract and Contract Documents in their entirety, including all plans, drawings, specifications, general, special and supplemental conditions and provisions, supplements, addenda and amendments, are hereby incorporated herein as though fully set forth. SUBCONTRACTOR shall be bound by the Main Contract and the Contract Documents or any interpretations, rulings, decisions relating thereto by OWNER, and by any subsequent supplements, addenda and amendments thereto, if any, to the same extent as CONTRACTOR, and SUBCONTRACTOR shall comply strictly therewith. SUBCONTRACTOR understands and acknowledges that the Subcontract sum shall not be increased due to any error, omission, inconsistency, ambiguity or conflict unless such has been reported to CONTRACTOR and resolved by OWNER, in which case SUBCONTRACTOR shall receive an adjustment limited to any price or time adjustment for which the OWNER may issue a change order to the Main Contract. In case of conflict between the terms of this Subcontract and the Main Contract, this Subcontract shall control.
2. **EXAMINATION OF SITE AND MAIN CONTRACT** SUBCONTRACTOR acknowledges that it was its responsibility, prior to issuing its bid and executing this Subcontract, to investigate and familiarize itself with all factors which may affect its work, including the Main Contract, the Contract Documents and all direct and incidental project and job site conditions. The SUBCONTRACTOR hereby warrants and agrees that it has carefully investigated all such matters and familiarized itself therewith to the extent that it, in his sole discretion, deems necessary, including the nature, location and conditions of the work, the character, quantity and kind of material to be encountered and the equipment needed during the prosecution of the work. SUBCONTRACTOR further agrees that the CONTRACTOR shall not be liable to the SUBCONTRACTOR for any claim for additional payment or time or for any claim whatsoever if such claim directly or indirectly results from SUBCONTRACTOR'S failure to investigate and familiarize itself sufficiently with the conditions under which this Subcontract is to be performed.
3. **PROGRESS OF WORK AND ORDER OF PERFORMANCE** Time is of the essence in this Subcontract. SUBCONTRACTOR shall commence work immediately upon being notified by CONTRACTOR, shall perform field work at such points as CONTRACTOR may from time to time designate, and shall continue to perform diligently to completion all work to be done hereunder to the satisfaction of CONTRACTOR and OWNER. SUBCONTRACTOR shall at all times furnish and have available sufficient and satisfactory equipment, material, supplies and workmen to perform the work in accordance with and the time durations and sequences specified in progress schedules as said schedules may be issued, revised and updated by CONTRACTOR. If CONTRACTOR shall in its discretion deem it necessary, SUBCONTRACTOR at its own expense and on demand of CONTRACTOR, shall provide additional shifts, or shall expedite the furnishing of materials or equipment so as to meet applicable schedules. SUBCONTRACTOR shall at all times cooperate with CONTRACTOR and others engaged in work on the Project and shall coordinate its work with that of all others so as to facilitate the efficient and timely completion of the entire work. If the performance of any item of work by SUBCONTRACTOR is related to or dependent upon any other item of work performed or materials furnished by others, then SUBCONTRACTOR warrants by undertaking to perform its work that such other items are satisfactory and acceptable, and waives any and all claims against CONTRACTOR for additional compensation, time extension or for damages resulting from any defects therein. CONTRACTOR shall have complete control of the premises on which the work is to be performed and shall have the absolute right to determine the times and sequences in which the various portions of the work shall be installed or completed, or the priority of the work of SUBCONTRACTOR among that of CONTRACTOR and other subcontractors and, in general, all matters respecting the timely and orderly conduct of the work of all subcontractors on the premises. SUBCONTRACTOR agrees to notify CONTRACTOR in detail and in writing of its objection to or inability to comply with any such directive, notification, order, schedule or revision dealing with the time or times of its performance and to do so within twenty-four (24) hours of CONTRACTOR'S issuance thereof. In absence of such notice, SUBCONTRACTOR agrees to accept and abide by all such directives, notifications, orders, schedules or revisions. The above notice requirements relate only to directives, notifications, orders, schedules and revisions dealing with the time of performance and do not alter the other time periods stated in this Subcontract, nor SUBCONTRACTOR'S obligation to comply therewith. CONTRACTOR shall make all schedules available for SUBCONTRACTOR'S inspection upon SUBCONTRACTOR'S request, made at reasonable times, at CONTRACTOR'S job shack or such other place as CONTRACTOR may designate. SUBCONTRACTOR acknowledges and agrees to comply with such schedule review procedures and shall assert no claims against CONTRACTOR by reason of compliance therewith.
4. **PRIOR TO STARTING WORK** SUBCONTRACTOR agrees to provide the following at least seven (7) days prior to starting work: (1) all of SUBCONTRACTOR'S license numbers; (ii) SUBCONTRACTOR'S registration bond number, the amount of the bond, the name of the bonding company and a copy of the bond; (iii) SUBCONTRACTOR'S Washington State Labor and Industries account number; (iv) a copy of SUBCONTRACTOR'S certificate of current status, demonstrating that all license fees and other requirements have been paid and/or met, allowing the SUBCONTRACTOR to do business in the State of Washington as a SUBCONTRACTOR and that the SUBCONTRACTOR is duly licensed; (v) all necessary and required proof of compliance concerning IRS, FICA, Employment Security, union benefits and Labor and Industries withholdings as the same relates to SUBCONTRACTOR; (vi) a complete list of all subcontractors, suppliers and materialmen to SUBCONTRACTOR, and, to the extent necessary, third party independent contractors, that will be involved with the Project and indicating the nature and extent of the involvement of each such person, firm or individual, and also indicating the company name, addresses, telephone number and contact person at each firm; and (vii) a certificate of SUBCONTRACTOR'S insurance showing compliance with paragraph 28 and if applicable, paragraph 29. If the Project is a state public works project, SUBCONTRACTOR shall comply with all requirements of RCW 39.06.020 and shall insert a similar requirement in all contracts that SUBCONTRACTOR enters into with its subcontractors or suppliers at any tier.
5. **SUPERVISION AND CONSTRUCTION PROCEDURES** SUBCONTRACTOR shall perform its work using its best efforts, skills and attention. SUBCONTRACTOR shall keep a competent resident superintendent at the site of the work continuously during the progress of its work. Within ten (10) days of the execution of this Subcontract, SUBCONTRACTOR shall designate in writing who such superintendent shall be. Said superintendent shall not be replaced without the prior written consent of CONTRACTOR. The superintendent shall be experienced, capable of understanding and familiar with the work, and able to properly supervise performance of the work. The superintendent shall be SUBCONTRACTOR'S representative and shall have authority to act on behalf of and bind SUBCONTRACTOR with respect to this Subcontract. Communications or notices directed or given to the superintendent shall be fully binding on SUBCONTRACTOR. The superintendent shall fully complete CONTRACTOR'S form entitled "Subcontractor Daily Labor Report" in detailed fashion on each day that SUBCONTRACTOR performs any work pursuant to this Subcontract and shall deliver the same to Contractor's jobsite office on each such

day, and SUBCONTRACTOR agrees that these records will accurately document the actual man-hours expended by SUBCONTRACTOR. The "Subcontractor Daily Labor Reports" referenced hereunder shall be considered part of SUBCONTRACTOR'S job cost records under Paragraph 12 of this Subcontract.

6. **LAYOUT RESPONSIBILITIES AND LEVELS** CONTRACTOR shall establish the principal axis lines of the building and site whereupon SUBCONTRACTOR shall lay out and be strictly responsible for the accuracy of SUBCONTRACTOR'S work and for any loss or damage to CONTRACTOR or others by reason of SUBCONTRACTOR'S failure to set out or perform its work correctly. SUBCONTRACTOR shall exercise prudence so that final conditions and details shall result in exact alignment of all elements and finish surfaces.
7. **PAYMENT** SUBCONTRACTOR shall submit to the CONTRACTOR applications for payment at such reasonable times as to enable the CONTRACTOR to timely apply for and obtain payment from OWNER. Each application for payment shall include appropriate waivers and releases from SUBCONTRACTOR and from its subcontractor's, materialmen, suppliers and third party independent contractors, if any, for the period concerning which the SUBCONTRACTOR is requesting payment. SUBCONTRACTOR agrees to complete and submit to CONTRACTOR waivers and releases for progress payments and for final payment on a form acceptable to CONTRACTOR. The SUBCONTRACTOR further agrees that if the materialmen, suppliers and third party independent contractors do not sign the required waivers and releases, then to provide, at CONTRACTOR'S option, the original invoices or statements to CONTRACTOR in order to facilitate issuance by CONTRACTOR of joint checks to the SUBCONTRACTOR and any appropriate third parties. SUBCONTRACTOR agrees that CONTRACTOR may, at its sole option and in its sole discretion, make any payments to the SUBCONTRACTOR otherwise due and owing under the terms of the Subcontract by way of joint check or by direct payment to third parties or otherwise. In no event, however, shall the CONTRACTOR be obligated to enter into any joint check agreement. CONTRACTOR shall withhold retainage from SUBCONTRACTOR in the amount of ten percent (10%), unless the Project is a state public works project, in which case retainage shall be withheld in the amount of five percent (5%) or as permitted by law. SUBCONTRACTOR shall be paid for work to the date of CONTRACTOR'S last progress billing date, as approved by the ARCHITECT or ENGINEER and received by CONTRACTOR. It is expressly agreed that payment by OWNER to CONTRACTOR shall be a condition precedent to CONTRACTOR'S payment to SUBCONTRACTOR of any progress or final payments. Final payment for work under this SUBCONTRACT shall be made within ten (10) days after the CONTRACTOR has received final or complete payment, provided SUBCONTRACTOR has completed its work and fulfilled each of its obligations under the SUBCONTRACT.

If the contract between OWNER and CONTRACTOR permits payment for materials delivered to the job site, or to satisfactory storage facilities, SUBCONTRACTOR may invoice for materials so delivered and receive payment therefor, as described herein; provided, however, that such stored materials shall be at the risk of the SUBCONTRACTOR until acceptance of the SUBCONTRACT work. If a Certificate of Insurance is required by the CONTRACTOR or OWNER as a condition precedent to the SUBCONTRACTOR'S payment, SUBCONTRACTOR shall furnish the same in a form acceptable to CONTRACTOR and OWNER. SUBCONTRACTOR acknowledges that all payments accepted by it or which are otherwise due under this SUBCONTRACT shall constitute a trust fund in favor of the laborers, materialmen, governmental authorities and all others who are legally entitled to claim a lien against the Project or otherwise encumber the Project or CONTRACTOR'S payment rights, or file a claim against any retained percentages or payment bond. Progress payments shall be deemed advances and are subject to adjustment in CONTRACTOR'S discretion at any time prior to final payment for errors, overpayment or CONTRACTOR'S good faith determination that the remaining balance of payments may be insufficient to insure completion of work covered by this Subcontract in accordance with its terms, or to pay existing or anticipated lien, retention or bond claims. If the CONTRACTOR determines in good faith that the SUBCONTRACTOR is obligated to the CONTRACTOR or anyone else for labor, fringe benefits, taxes, supplies, materials, equipment, rental or other proper charges pertaining to the Project, then the amount of such obligation may be deducted or withheld by the CONTRACTOR from any payment or payments made to SUBCONTRACTOR. CONTRACTOR may deduct or withhold from any payment, partial or final, otherwise due under this Subcontract, such sums as CONTRACTOR reasonably may determine are necessary to secure and protect the CONTRACTOR or the OWNER from claims or liens that may be asserted by said third parties pertaining to SUBCONTRACTOR'S performance. Without limiting any of the above, CONTRACTOR may withhold progress or final payment and/or retainage for damages arising out of SUBCONTRACTOR'S breach of the terms and conditions of this Subcontract. Five percent (5%) of the Contract sum shall be withheld as part of SUBCONTRACTOR'S schedule of values until SUBCONTRACTOR has submitted as-built drawings and close-out documents satisfactory to CONTRACTOR and OWNER. If this Subcontract is for work on a project governed by the State public works laws, the terms of paragraph 8 also apply.

8. **PAYMENT TERMS FOR PUBLIC WORKS PROJECTS** Upon receipt of payment by CONTRACTOR from OWNER, CONTRACTOR shall pay to SUBCONTRACTOR not later than ten (10) days after receipt of payment, the amount allowed to CONTRACTOR on account of work performed by SUBCONTRACTOR to the extent of SUBCONTRACTOR'S interest therein. In the event of a good faith dispute concerning an amount of payment to SUBCONTRACTOR, then CONTRACTOR may withhold up to 150% of the disputed amount. This Subcontract is intended to be in full compliance with Chapters 39.04 and 39.76 RCW, as amended, and to the extent that any provisions or clauses of this Subcontract are inconsistent with said statutes, such provision or clause shall be modified or stricken so that this Subcontract shall be consistent with said statutes.
9. **CHANGE ORDERS** CONTRACTOR may, without invalidating this Subcontract, order in writing without notice to surety, extra work or make changes by altering, adding to, or deducting from the work; and SUBCONTRACTOR shall proceed with the work as directed. All such work shall be executed under the conditions hereof and of the MAIN CONTRACT, except that any claims for extension of time caused thereby must be agreed upon at the time of ordering such change. SUBCONTRACTOR shall make no claims for extra work or time unless the same shall be agreed upon in writing by the CONTRACTOR prior to the performance of any such extra work. No claim for additional compensation or time, by change order or otherwise, shall be allowed by CONTRACTOR in favor of SUBCONTRACTOR unless within five (5) calendar days of the occurrence of the event giving rise to such a claim SUBCONTRACTOR gives written notice of such claim consistent with the terms of this Subcontract. SUBCONTRACTOR shall only be entitled to time extensions and additional compensation, if any, that are consistent with any duration or amount in which the OWNER may issue a change order to the Main Contract. No dispute or controversy surrounding any change order shall interfere with the progress of construction, and SUBCONTRACTOR shall proceed with its work without interruption, deficiency or delay.
10. **NO DELAY BY SUBCONTRACTOR** Notwithstanding the fact that a dispute, controversy or question shall have arisen in the interpretation of any provision of the Main Contract, the Contract Documents, this Subcontract, the performance of any work, the delivery of any material, the payment of any monies to SUBCONTRACTOR, or otherwise pertaining to this Subcontract, SUBCONTRACTOR agrees that it will not directly or indirectly stop or delay any work on its

part required to be performed, or stop or delay the delivery of any materials, supplies or equipment on its part required to be furnished hereunder, pending the determination of such dispute or controversy, regardless of whether such controversy, dispute or question is subject to mediation, arbitration or litigation.

11. **CLAIM & WRITTEN NOTICE REQUIREMENTS** Except as otherwise provided in this Subcontract, SUBCONTRACTOR agrees to give CONTRACTOR each and every notice, statement and claim for damages or additional compensation or time based on alleged extra work, delay, acceleration, changed conditions or any other ground, in the same manner and form as required by the Main Contract, except that the time for the furnishing said notices, statements or claims by SUBCONTRACTOR to CONTRACTOR shall not be greater than five (5) calendar days from the occurrence of the event giving rise to the claim in order to allow a reasonable time for CONTRACTOR to analyze and transmit the same to OWNER. SUBCONTRACTOR'S failure to provide such notice, statement or claim to CONTRACTOR in conformance herewith shall limit and/or bar SUBCONTRACTOR from recovery in the same manner as set forth in the Main Contract. No interruption, cessation, postponement or delay in the commencement of the work or in the progress thereof from any cause whatsoever, including disputes, shall relieve the SUBCONTRACTOR of its duty to perform. If the SUBCONTRACTOR encounters work which it considers unsatisfactory and which affects its work, or if SUBCONTRACTOR encounters any condition whatsoever upon which it may base a claim for extra compensation or time, or any other type of claim, it shall be its duty to give written notice to CONTRACTOR prior to commencing any work involving said conditions in order to allow CONTRACTOR to inspect said conditions and to make such arrangements and take such steps as CONTRACTOR deems necessary. NOTWITHSTANDING ANYTHING TO THE CONTRARY in the Main Contract, SUBCONTRACTOR must transmit any and all notices, statements or claims hereunder in writing and by registered or certified mail to CONTRACTOR within the time periods specified above. Such notices, statements or claims must identify in concise detail and in writing the basis for the claim and provide SUBCONTRACTOR'S best estimate of the increase of the contract time or contract sum which will be claimed. SUBCONTRACTOR must promptly provide a concise detailed written breakdown of all elements and sub-elements of the claim after the work is performed for which the increase in contract time or contract sum is sought. No act, omission, or knowledge, actual or constructive, of CONTRACTOR shall be deemed to be a waiver of the requirement for such written notice and transmission thereof unless CONTRACTOR provides SUBCONTRACTOR with an explicit, unequivocal written waiver of written notice or the transmission thereof. In the absence of written notice of any claims to the CONTRACTOR by SUBCONTRACTOR as required herein, SUBCONTRACTOR shall be fully and solely responsible and liable for any and all expense, loss or damage resulting from said condition, and CONTRACTOR shall be relieved of all liability in connection therewith. No dispute or controversy surrounding any claim or potential or purported claim shall interfere with the progress of construction, and SUBCONTRACTOR shall proceed with its work without interruption, deficiency or delay. SUBCONTRACTOR understands and acknowledges that with regard to any claims based on the responsibility or liability of the OWNER, in no event shall SUBCONTRACTOR receive any price or time adjustment in excess of that for which the OWNER may issue a change order to the Main Contract.
12. **SUBCONTRACTOR RECORDS/AUDIT** SUBCONTRACTOR shall maintain accurate contemporaneous and complete job costs records which show, at a minimum, the work hours of each of its employees for each day on the Project, the daily tasks performed by each such employee, the type and cost of equipment and the hours and days such equipment is used, and the identification and costs of materials. Separate accurate contemporaneous and complete cost records shall be maintained pertaining to all work and impacts which SUBCONTRACTOR contends are extra or differing conditions, including but not limited to, delays, acceleration, supervision, general conditions, overhead and profit, changed or differing conditions, time extensions, inefficiency, ripple effects, or other costs or items relating to such work or impacts. The failure to maintain the above form of records documenting such claims shall preclude SUBCONTRACTOR from recovery for such claims. SUBCONTRACTOR'S obligation to keep records under this clause is in addition to any other record-keeping obligations imposed by other terms of this Subcontract or the Contract Documents. SUBCONTRACTOR agrees that CONTRACTOR can review and audit SUBCONTRACTOR'S cost records whenever SUBCONTRACTOR submits a claim or a request for time extension.
13. **CLAIM ENTITLEMENT** In the event that SUBCONTRACTOR'S performance is delayed or interfered with or otherwise affected or impacted, SUBCONTRACTOR may request an extension of time for its performance, as herein provided, but shall not be entitled to any increase in the Subcontract price or to damages or additional compensation as a consequence of such delay, interference or impact, except to the extent that the Main Contract entitles SUBCONTRACTOR to compensation for such delays, interference or impacts, and then only to the extent of any amounts that CONTRACTOR may recover on behalf of SUBCONTRACTOR, or which SUBCONTRACTOR may recover on a pass-through basis from the OWNER.
14. **OPEN SHOP** CONTRACTOR is an open shop and, as such, will have non-union employees of various trades working on the Project at the same time and, in some instances, with SUBCONTRACTOR'S employees. Accordingly, it will be the total responsibility of the SUBCONTRACTOR to staff the project with employees who are willing to work with CONTRACTOR'S non-union employees and other trades regardless of their union status. Union pickets, work rules, interference, harassment, or intimidation of any kind or nature will not relieve SUBCONTRACTOR of its obligation to staff the project and to adhere to performance schedules.
15. **SAFETY** SUBCONTRACTOR shall comply fully with all laws, orders, citations, rules, regulations, standards and statutes with respect to workplace and occupational safety and health, accident prevention and the safety programs of the OWNER and CONTRACTOR. SUBCONTRACTOR and all of its lower tier Subcontractors shall take all necessary safety precautions pertaining to their work and the performance of their work, including but not limited to full and complete compliance with applicable laws, ordinances, rules, regulations and orders issued by a public authority or governmental body, whether federal, state, local or other, the federal Occupation Safety and Health Act, the Washington Industrial Safety and Health Act, and any safety measures required by CONTRACTOR or OWNER. SUBCONTRACTOR shall be at all times responsible for the safety of its employees and for providing a safe worksite, including responsibility for the safety of SUBCONTRACTOR'S employees and all personnel, equipment within SUBCONTRACTOR'S care, custody or control, whether or not in common work areas. SUBCONTRACTOR shall promptly provide CONTRACTOR with written notice of any unsafe conditions, safety hazards or violations found anywhere on or adjacent to the construction site. CONTRACTOR'S Supervisor may direct SUBCONTRACTOR'S Superintendent to remove employees not in compliance with the requirements of this Agreement. In the event SUBCONTRACTOR does not promptly correct its safety violation, CONTRACTOR may order SUBCONTRACTOR to stop work until the violation is corrected, and may correct the violation and charge all costs of compliance to the SUBCONTRACTOR.

SUBCONTRACTOR and its lower tier Subcontractors shall provide to their employees all safety equipment required to perform the work and ensure that all employees, at all times, comply with OSHA/WISHA rules and regulations pertaining to their work and CONTRACTOR'S and OWNER'S safety rules.

SUBCONTRACTOR certifies that it and its sub-subcontractors are registered and licensed contractors with the state of Washington. The SUBCONTRACTOR maintains and agrees to maintain a written Accident Prevention Plan and develop and implement a written Site Specific Safety Plan in full compliance with all federal, state, OSHA/WISHA rules and regulations. SUBCONTRACTOR acknowledges that its Accident Prevention Plan defines its role and responsibilities pertaining to safety, including all necessary training and correction action and is tailored to the safety and health requirements of the operations and work that may be involved. SUBCONTRACTOR'S Site Specific Safety Plan shall identify anticipated hazards and the means that will be used to address each of such hazards with respect to the work involved. SUBCONTRACTOR shall have and enforce a disciplinary action schedule conditioned upon the occurrence of any safety violations being discovered, which schedule should vary depending upon the severity of the violations.

SUBCONTRACTOR shall regularly and periodically conduct inspections to determine that safe working conditions and equipment exist for its employees and the employees of its SUBCONTRACTOR'S and suppliers and for the adequacy of and required use of all safety equipment. SUBCONTRACTOR shall either attend the safety meetings of CONTRACTOR or timely furnish CONTRACTOR with minutes of weekly safety meetings conducted by SUBCONTRACTOR. In the event that SUBCONTRACTOR commits any safety violation, CONTRACTOR may issue a written notice of such violation generally describing the violation and demanding that SUBCONTRACTOR comply with any applicable safety requirements. SUBCONTRACTOR agrees and consents as herein described given CONTRACTOR'S overall responsibility to coordinate safety matters for the Project. If SUBCONTRACTOR fails to immediately comply with such Notice issued by CONTRACTOR or if SUBCONTRACTOR fails to immediately comply with any safety obligations or directives following the issuance of a citation, warning or directive by any governmental agency, CONTRACTOR may at its option, but not as a requirement, allow SUBCONTRACTOR twenty-four (24) hours to correct any safety violation described in a Notice. In addition to the above, CONTRACTOR may, at its option, impose a charge of \$500 against SUBCONTRACTOR upon the giving of each Notice, which charge shall cover CONTRACTOR'S administrative costs of inspection and issuance of the Notice. To the fullest extent permitted by law, SUBCONTRACTOR shall indemnify, defend and save harmless CONTRACTOR from any claim, citation, suit, penalty, damage, liability, loss, cost or expense, including reasonable costs and attorneys' fees, arising from any failure or alleged failure of SUBCONTRACTOR to comply with any law, order, citation, rule, regulation, standard or statute in any way relating to occupational health or safety. Any noncompliance by SUBCONTRACTOR or its subcontractors or suppliers following a citation, penalty, fine or enforcement action by public agency or following the issuance of a Notice by CONTRACTOR as described above may be deemed a material breach of this Agreement.

16. **SUBCONTRACTOR'S LIMITED AUTHORITY TO OBLIGATE CONTRACTOR OR OWNER REGARDING LIEN OR BOND CLAIMS** SUBCONTRACTOR agrees not to assign or sublet any portions of this Subcontract without CONTRACTOR'S prior written consent. SUBCONTRACTOR shall designate in writing all of its subcontractors and suppliers to CONTRACTOR upon CONTRACTOR'S request and shall not subsequently change such subcontractors or suppliers without CONTRACTOR'S prior written approval. As part of its designation of all subcontractors and suppliers, SUBCONTRACTOR shall submit to CONTRACTOR a complete list of all labor to be performed and all items to be purchased from the same. As soon as available, copies of all subcontracts, purchase orders and invoices shall be furnished to CONTRACTOR. Based upon this information, CONTRACTOR shall delegate authority to SUBCONTRACTOR to incur a certain dollar amount of indebtedness that may form the basis for a potential lien or bond claim. If SUBCONTRACTOR exceeds said dollar amount without prior written consent of CONTRACTOR, SUBCONTRACTOR shall be acting outside the scope of its authority. SUBCONTRACTOR'S failure to so designate all subcontractors and suppliers or to change subcontractors or suppliers without CONTRACTOR'S prior written approval shall constitute a material breach of the Subcontract and an express breach of SUBCONTRACTOR'S authority hereunder. SUBCONTRACTOR shall, as often as required by CONTRACTOR, furnish a sworn statement showing all parties who furnish labor or materials to SUBCONTRACTOR, with their names and addresses and the amount due or to become due to each. Like statements may be required from any subcontractors or suppliers of the SUBCONTRACTOR.
17. **DEFENSE OF LIENS** SUBCONTRACTOR shall promptly pay or discharge in full or provide adequate security for the payment of all claims of any persons, firms or corporations furnishing or claiming to have furnished labor, materials, tools, equipment, supplies or incidentals used in, upon or for the work, whether or not as to any such claim a lien or right of enforcement is established or attempted to be established upon or against the work. SUBCONTRACTOR shall, if requested by CONTRACTOR, defend any such suit at its own expense and in any event shall indemnify CONTRACTOR for all expenses incurred by CONTRACTOR, OWNER, and any upper-tier contractor with whom CONTRACTOR has contracted, investigating, resisting, or settling such liens or claims, including attorneys' fees incurred by CONTRACTOR, OWNER and any upper-tier contractor. SUBCONTRACTOR agrees to defend, indemnify, and hold CONTRACTOR, OWNER, and any upper-tier contractor harmless from any claims of lien, any claims against any contractor's bond or retainage, or any claims against any other contractor's bond or retainage resulting from the performance of this Subcontract. Subject to the payment provisions of this Subcontract, CONTRACTOR may as a condition precedent to any payment to SUBCONTRACTOR hereunder require SUBCONTRACTOR to submit satisfactory evidence of payment and to provide lien/claim waivers and releases in favor of OWNER, CONTRACTOR and their sureties of any and all claims of any such persons, firms or corporations in a form acceptable to CONTRACTOR. Such evidence, releases or waivers must be submitted covering all such liens and claims as a condition precedent to the final payment.
18. **RESPONSIBILITY FOR THE WORK** SUBCONTRACTOR shall be responsible for, and shall bear any and all risks of loss or damage to the work and materials, tools, equipment, or incidentals until final acceptance thereof and release of responsibility therefor by OWNER. SUBCONTRACTOR shall protect the materials, tools, equipment and property of OWNER, CONTRACTOR and others on the project against injury or damages in any way arising out of or connected with the operations conducted by SUBCONTRACTOR hereunder or anyone acting under its direction or control, or on its behalf. SUBCONTRACTOR waives all rights it might have against CONTRACTOR for loss or damage to SUBCONTRACTOR'S work, property or materials, unless said loss or damage is caused by the sole negligence of the CONTRACTOR.
19. **SUBCONTRACTOR EMPLOYER** SUBCONTRACTOR has the status of an employer as defined by the Industrial Insurance, Workman's Compensation and Unemployment Compensation Act, Social Security, and other similar acts of the federal, state and local Government. SUBCONTRACTOR will withhold from its payroll the applicable Social Security taxes, Workmen's Compensation, Unemployment Compensation contributions and withholding taxes, and pay the same, and the CONTRACTOR shall in no way be liable as an employer to or on account of any of the employees of the SUBCONTRACTOR. Before final payment is made upon this Subcontract, SUBCONTRACTOR shall furnish satisfactory evidence to the CONTRACTOR, that it has conformed to said laws, rules and regulations. SUBCONTRACTOR shall pay to its employees all wages, fringe benefits, travel and incidental payments which may be required under any union

contract agreement between the SUBCONTRACTOR and any trade union. This Subcontract shall be subject to requirements of any applicable union contract with respect to enforcement of SUBCONTRACTOR'S obligations to pay contributions for fringe benefits.

20. **PERMITS, TAXES** SUBCONTRACTOR shall secure and pay for all permits, fees and licenses necessary for the performance of this Subcontract and shall pay any and all federal, state and municipal taxes, including sales taxes, if any, for which the SUBCONTRACTOR may be liable in carrying out this Subcontract.
21. **MATERIALS** Materials delivered by or for the SUBCONTRACTOR and intended to be incorporated into the construction hereunder shall remain on the jobsite and shall become property of the OWNER upon payment; but the SUBCONTRACTOR may repossess himself of any surplus remaining at the completion of the contract. All scaffolding, apparatus, ways, works, machinery and plants brought upon the premises by the SUBCONTRACTOR shall remain its property, but in case of SUBCONTRACTOR'S default or inability to perform, and the completion of the work is done by CONTRACTOR, then CONTRACTOR shall be entitled to use said scaffolding, apparatus, ways, works, machinery and plants without cost or liability for depreciation or damage by use and without prejudice to CONTRACTOR'S other rights or remedies for any damage or loss sustained by reason of said default or inability. It shall be the SUBCONTRACTOR'S responsibility to unload, store and protect its materials and SUBCONTRACTOR shall bear the risk of loss thereof, and shall protect such material against loss until actually incorporated in to the work and the work is accepted, even though title thereto may previously have passed to the OWNER under the preceding provisions, except that SUBCONTRACTOR shall not bear any such loss as may be due to the sole negligence of the CONTRACTOR.
22. **MATERIAL QUALITY AND MOLD PREVENTION** Materials condemned by CONTRACTOR, OWNER and/or Owner's Representatives as failing to conform to the Main Contract, installed or not, shall upon notice from CONTRACTOR be immediately removed by SUBCONTRACTOR. Failure of CONTRACTOR to condemn any work or materials as installed shall not in any way waive CONTRACTOR'S right to object thereto at any subsequent time.

SUBCONTRACTOR warrants that all materials provided under this Subcontract shall be free of mold. Mold is defined as any permanent or transient fungus, mold, mildew or mycotoxin, or any of the spores, scents or byproducts resulting therefrom regardless of whether they are proved to cause disease, injury or damage. SUBCONTRACTOR further warrants that all workmanship under this Subcontract shall be performed in a manner and of a quality that will not expose SUBCONTRACTOR'S work or the work of others to conditions that lead to the growth of mold.

Upon completion of work under this Subcontract, SUBCONTRACTOR agrees to provide a certification that the materials provided and the work performed hereunder comply with the requirements of paragraph 22. The certification shall be in the form attached hereto as the Mold Certification Addendum.

23. **SUBCONTRACTOR'S FAILURE TO PERFORM** If, in the opinion of the CONTRACTOR, SUBCONTRACTOR shall at any time (1) refuse or fail to provide a sufficient number of properly skilled workmen or a sufficient quantity of suitable materials or adequate equipment, (2) fail to diligently prosecute the work in the order and sequence directed and/or according to then current CONTRACTOR'S schedule, (3) cause, by any act or omission, the stoppage or delay of or interference with the work of CONTRACTOR or of any other builder or SUBCONTRACTOR including, but not limited to, acts or omissions arising out or relating to any picketing, strikes or other labor conditions, (4) fail to correct or replace any damaged or defective work or materials, (5) fail to comply with all safety obligations imposed by the law and this Subcontract, (6) fail to comply with all provisions of the SUBCONTRACT, MAIN CONTRACT and Contract Documents, (7) be adjudged bankrupt, or make a general assignment for the benefit of its creditors, (8) have a receiver appointed, or (9) become insolvent or a debtor in reorganization proceedings, then, after giving SUBCONTRACTOR forty-eight (48) hours written notice transmitted by facsimile or otherwise, unless the condition specified in such notice shall have been eliminated within such forty-eight (48) hours, CONTRACTOR, at its option and in addition to and without prejudice to any other rights afforded herein or by law and without notice to the sureties, may (i) take such steps as are necessary to overcome the condition, in which case the SUBCONTRACTOR shall be liable to CONTRACTOR for the cost thereof, (ii) terminate the subcontract for default, or (iii) seek specific performance of SUBCONTRACTOR'S obligations hereunder, it being agreed by SUBCONTRACTOR that specific performance may be necessary to avoid irreparable harm to CONTRACTOR and/or OWNER. In the event of termination for default, CONTRACTOR may, at its option, do any or all of the following: (a) enter on the premises and take possession, for the purpose of completing the work, of all materials and equipment of SUBCONTRACTOR; (b) require SUBCONTRACTOR to assign to CONTRACTOR any or all subcontracts or purchase orders involving the Project; or (c) either itself or through others complete the work, by whatever method CONTRACTOR may deem expedient. If terminated for default, SUBCONTRACTOR shall not be entitled to receive any further payment until the work shall be fully completed and accepted by OWNER. At such time, if the unpaid balance of the price to be paid exceeds the expense incurred by CONTRACTOR, such excess shall be paid by CONTRACTOR to SUBCONTRACTOR. If the expense incurred by CONTRACTOR exceeds the unpaid balance, the SUBCONTRACTOR shall pay CONTRACTOR the difference.
24. **TERMINATION FOR CONVENIENCE** CONTRACTOR shall have the right to terminate this Subcontract for convenience and without cause, by providing SUBCONTRACTOR with a written notice of termination to be effective upon receipt by SUBCONTRACTOR. If SUBCONTRACTOR is terminated for convenience, it shall be paid the amount representing costs which are due from OWNER for SUBCONTRACTOR'S work up to the effective date of the termination for convenience. However, payment by OWNER to CONTRACTOR shall be a condition precedent to CONTRACTOR'S payment to SUBCONTRACTOR.
25. **UNIT PRICE** In the event this Subcontract contains unit price items, it is understood and agreed that any quantities mentioned are approximate only and subject to change as required by the MAIN CONTRACT and as ordered and directed by the CONTRACTOR. In the event SUBCONTRACTOR fails to maintain any insurance required by this SUBCONTRACT in force during the entire life of the SUBCONTRACT, CONTRACTOR may at his option purchase such insurance in the name of SUBCONTRACTOR and deduct the cost of the same from payments due SUBCONTRACTOR. SUBCONTRACTOR shall notify CONTRACTOR immediately of any injuries to SUBCONTRACTOR'S workmen on the site or related work and also shall notify CONTRACTOR if any claim is made for Workmen's Compensation benefits or by way of other legal action against SUBCONTRACTOR on account of any such injury. 32. **WARRANTIES** As set forth in Paragraph 1, SUBCONTRACTOR agrees to provide all warranties required by the Main Contract. If the Main Contract does not contain warranty requirements, SUBCONTRACTOR agrees to provide the following warranty: SUBCONTRACTOR expressly warrants to CONTRACTOR that all materials and equipment furnished under this Subcontract shall be new unless otherwise specified and of good quality, free of all faults and defects and in conformance with the requirements of this Agreement. If SUBCONTRACTOR, after notice, fails within seven (7) days to proceed to correct a fault or defect so as to comply with the terms of this warranty, CONTRACTOR may have the defects corrected and SUBCONTRACTOR, and its surety if any, shall be liable for all expenses incurred.
33. **MODIFICATIONS, WAIVERS, SEVERABILITY AND MISCELLANEOUS** The heading of paragraphs of this Subcontract are for convenience and reference only and are not to be used to interpret or define the provisions hereof. No modification of this Subcontract and no waiver of any rights under this Subcontract shall be valid or binding on the parties unless the same be in writing. Failure of the CONTRACTOR to insist upon strict performance by the SUBCONTRACTOR, or to exercise any option herein conferred in any one or more instances, shall not be construed to be a waiver of any such rights, remedies, or any other covenants or agreements, but the same shall be and remain in full force and effect. The partial or complete invalidity of any one or more provisions or sentences of the Subcontract shall not affect the validity or continuing force and effect of any other provision. SUBCONTRACTOR shall not assign the Subcontract or any portions of the Subcontract without the prior written consent to CONTRACTOR.
34. **ATTORNEY'S FEES** In any action between CONTRACTOR and SUBCONTRACTOR arising from or related to this Subcontract, the substantially prevailing party shall be entitled to recover from the other party its expenses of litigation or arbitration, including attorneys' fees and costs.
35. **DISPUTES**
- (a) Pass-Through Claims: In the event of any dispute or claim between CONTRACTOR and OWNER which directly or indirectly involves the work performed or to be performed by SUBCONTRACTOR, or in the event of any dispute or claim between CONTRACTOR and SUBCONTRACTOR caused by or arising out of conduct for which OWNER may be responsible, SUBCONTRACTOR agrees to be bound to CONTRACTOR and CONTRACTOR agrees to be bound to SUBCONTRACTOR to the same extent that CONTRACTOR is bound to OWNER by the terms of the Main Contract and by any and all procedures and resulting decisions, findings, determinations, or awards made thereunder by the person so authorized in the Main Contract, or by any administrative agency, board, court of competent jurisdiction or arbitration. SUBCONTRACTOR agrees to be bound by the procedure and final determinations as specified in the Main Contract and agrees that it will not take, or will stay or suspend, any other action or actions including but not limited to any arbitration(s) or action(s) commenced pursuant to the Federal Miller Act, state lien statutes, Bond or Retainage Act(s) with respect to any such claims and will pursue no independent litigation with respect thereto, pending final determination of any dispute resolution procedure between OWNER and CONTRACTOR.

If any dispute or claim of SUBCONTRACTOR is prosecuted or defended by CONTRACTOR together with disputes or claims of CONTRACTOR'S own, and SUBCONTRACTOR is not directly a party, SUBCONTRACTOR agrees to cooperate fully with CONTRACTOR and to furnish all documents, statements, witnesses, and other information required by CONTRACTOR for such purpose and shall pay or reimburse CONTRACTOR for all expenses and costs, including reasonable attorneys' fees incurred in connection therewith, to the extent of SUBCONTRACTOR'S interest in such claim or dispute. It is expressly understood

and agreed that as to any and all claims asserted by SUBCONTRACTOR in connection with this project arising from the actions or fault of OWNER, CONTRACTOR shall not be liable to SUBCONTRACTOR for any greater amount than OWNER is liable to CONTRACTOR, less any markups or costs incurred by CONTRACTOR.

As to any claims asserted by SUBCONTRACTOR for or on account of acts or omissions of OWNER or its agents or design professionals, at the sole option of CONTRACTOR, SUBCONTRACTOR agrees to prosecute such claims in CONTRACTOR'S name. For any amount recovered or collected, whether through proceedings or settlement, by SUBCONTRACTOR, CONTRACTOR shall be entitled to ten percent (10%) of such amount received or collected as its markup for such claims. SUBCONTRACTOR shall have full responsibility for preparation and presentation of such claims and shall bear expenses thereof including attorneys' fees.

(b) Other Claims. For all other claims, disputes, and other matters in question between CONTRACTOR and SUBCONTRACTOR arising out of, or relating to the Main Contract or this Subcontract, CONTRACTOR shall have the exclusive and unilateral right, at its option, to require that the venue for any legal action be in the state of Washington Superior Court for Snohomish County and SUBCONTRACTOR expressly agrees to CONTRACTOR'S exercise of such option. In addition, CONTRACTOR shall have the exclusive and unilateral right, at its option, and at any time, to require that any dispute between CONTRACTOR and SUBCONTRACTOR be resolved in the alternative dispute resolution forum of its choosing, provided that said forum is an independent forum and impartial to the parties. CONTRACTOR may also require that SUBCONTRACTOR participate in a mediation as a prerequisite to the commencement or maintenance of any litigation. This provision is for the unilateral exercise of CONTRACTOR only and cannot be invoked by SUBCONTRACTOR without CONTRACTOR'S consent. The Subcontract shall be governed by the laws of the State of Washington.

36. **INDEMNIFICATION** SUBCONTRACTOR shall defend, indemnify and hold the CONTRACTOR, its officers, employees and agents harmless from any and all claims, injuries, damages, losses or suits including attorney fees, arising out of or resulting from injury to or death of any and all persons, or arising out of property damage of any kind, whether tangible or intangible, or loss of use resulting therefrom, or in any manner connected with the SUBCONTRACTOR'S performance of this Agreement, except for injuries and damages caused by the sole negligence of the CONTRACTOR.

Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the SUBCONTRACTOR and the CONTRACTOR, its officers, employees, and agents, the SUBCONTRACTOR'S liability, including the duty and cost to defend, hereunder shall be only to the extent of the SUBCONTRACTOR'S negligence.

It is further specifically and expressly understood that the indemnification provided herein constitutes the SUBCONTRACTOR'S waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

Defense cost recovery shall include all fees of attorneys and experts, and costs and expenses incurred in good faith. In addition, CONTRACTOR shall be entitled to recover compensation for all of its in-house expenses, including materials and labor, consumed in its defense.

37. **COMPLETE AGREEMENT** This Subcontract contains all covenants, stipulations and provisions agreed upon by the parties and supersedes and nullifies all prior negotiations, proposals or stipulations. There are no prior or contemporaneous agreements not included or provided for herein. No agent or representative of either party has authority to make, and the parties shall not be bound by or liable for, any statement, representation, promise or agreement not set forth herein or in a duly authorized written modification hereto.
